## 5. BONITACLAIRE

### BonitaClaire Whitening & Fairness Cream

### Antioxidant Firmness for a healthy, glowing & Splotles Complexion

Reveal your naturally radiant skin with BonitaClaire – your ultimate skincare solution for a brighter, even-toned complexion!

## Description

BonitaClaire Whitening & Fairness Cream is a **dermatologist-recommended** advanced skin-brightening formula designed to promote an even skin tone, reduce dark spots, and enhance skin radiance. Enriched with **powerful natural extracts and scientifically proven skin-lightening agents**, this lightweight, non-greasy cream penetrates deep into the skin to **fade pigmentation, hydrate, and protect** against environmental stressors. Its unique blend of **Alpha Arbutin, Kojic Acid Dipalmitate, Niacinamide, and Licorice Root Extract** works synergistically to **reduce melanin production**, giving you a visibly brighter and flawless complexion. Suitable for all skin types, including sensitive skin.

### Key Ingredients & Their Benefits:

- ✓ **Hyaluronic Acid** – Deeply hydrates the skin, keeping it plump and youthful while reducing fine lines and dryness.
- ✓ **Aloe Barbadensis Leaf Juice (Aloe Vera)** – A natural skin-soothing agent that calms irritation, moisturizes, and promotes healing.
- ✓ **Alpha Arbutin** – A powerful skin-lightening ingredient that inhibits melanin production, reducing dark spots, hyperpigmentation, and uneven skin tone.
- ✓ **Ascorbyl Glucoside (Vitamin C Derivative)** – A stable form of Vitamin C that brightens the skin, fights free radicals, and boosts collagen production for a youthful glow.

- ✔ **Kojic Acid Dipalmitate** – A potent skin-brightening agent that effectively reduces dark spots, melasma, and age spots, providing a more even complexion.
- ✔ **Niacinamide (Vitamin B3)** – Improves skin texture, reduces redness, minimizes pores, and enhances the skin's natural barrier, giving a healthy glow.
- ✔ **Licorice Root Extract** – A natural brightening agent that soothes the skin and helps fade pigmentation and sun damage.
- ✔ **Witch Hazel** – A natural astringent that tightens pores, controls excess oil, and reduces inflammation, making it ideal for acne-prone skin.
- ✔ **Mulberry Extract** – Rich in antioxidants, it helps lighten pigmentation, even out skin tone, and protect against UV damage.
- ✔ **Pyridoxine HCL (Vitamin B6)** – Aids in controlling excess oil production, preventing acne breakouts, and maintaining clear skin.
- ✔ **Octyl Methoxy Cinnamate** – A UV filter that helps protect the skin from sun damage, preventing premature aging and pigmentation.
- ✔ **Citric Acid** – Gently exfoliates the skin, removing dead cells and promoting a brighter, smoother complexion.
- ✔ **Sodium Benzoate & Phenoxyethanol** – Safe preservatives that ensure product stability without harming the skin.

### Key Benefits:

- ✔ Reduces dark spots, hyperpigmentation, and uneven skin tone
- ✔ Enhances skin brightness and gives a natural glow
- ✔ Deeply hydrates and locks in moisture for long-lasting radiance
- ✔ Protects against sun damage and environmental pollutants
- ✔ Reduces fine lines, improves skin texture, and minimizes pores
- ✔ Lightweight, non-greasy formula that absorbs quickly
- ✔ Suitable for all skin types, including sensitive skin

### How to Use:

1. Cleanse your face and pat it dry.
2. Take a small amount of **BonitaClaire Whitening & Fairness Cream** and apply it evenly to your face and neck.
3. Gently massage in upward circular motions until fully absorbed.

4. Use **twice daily**, in the morning and at night, for best results.
5. Follow up with **sunscreen during the day** to maintain and protect the results.

## Who Can Use It?

- Suitable for **all skin types** (dry, oily, combination, and sensitive).
- Ideal for individuals dealing with **dark spots, uneven skin tone, dullness, and hyperpigmentation**.
- Recommended for **both men and women** seeking **radiant, youthful skin**.

## Why Choose BonitaClaire?

BonitaClaire Whitening & Fairness Cream is **dermatologist-tested and recommended**, ensuring **safe, effective results** without harsh chemicals. It is **free from parabens, sulfates, and artificial colorants**, making it a **gentle yet powerful** solution for skin brightening and hydration.
