Mufrid Anti-Dandruff & Anti-Fungal Shampoo

Say goodbye to dandruff and scalp irritation with Mufrid – for a cleaner, healthier scalp and stronger hair!

Description

Mufrid Anti-Dandruff & Anti-Fungal Shampoo is a clinically formulated hair care solution designed to eliminate dandruff, control scalp infections, and promote a healthy scalp. Enriched with powerful antifungal and exfoliating agents, this shampoo effectively removes flakes, soothes irritation, and prevents the recurrence of dandruff. It deeply cleanses the scalp, controls excess oil, and strengthens hair follicles, ensuring long-lasting freshness and hydration. Suitable for all hair types, this gentle yet effective formula leaves hair soft, shiny, and free from dandruff and fungal infections.

Key Ingredients & Their Benefits:

- ✓ **Zinc Pyrithione** – A clinically proven antifungal and antibacterial agent that helps eliminate dandruff-causing fungi, reduces scalp irritation, and prevents flaking and itchiness.
- ✓ **Biotin (Vitamin B7)** – Strengthens hair roots, promotes hair growth, and nourishes the scalp to reduce hair fall caused by dandruff and fungal infections.
- ✓ **Salicylic Acid** – A powerful exfoliating agent that removes dead skin cells, unclogs hair follicles, and prevents dandruff buildup. It also helps in treating seborrheic dermatitis.
- ✓ **Climbazole** – An effective antifungal ingredient that targets dandruff-causing fungi, reducing scalp infections and preventing dandruff recurrence.
- ✓ **Alpha Hydroxy Acid (AHA)** – A natural exfoliant that helps in removing excess oil, dirt, and buildup from the scalp, keeping it clean and healthy. It also improves scalp hydration and prevents dryness.

✔ **Aloe Vera Extract** – A soothing and hydrating ingredient that calms scalp irritation, reduces redness, and nourishes hair for a softer, shinier texture.
